More Than A Thousand Miles – Song number 6

Dek.-Übung

Her face was empty

her mind and body weak

No words

No reason to speak

She caught a plane

to leave her worries behind

To call the tune and

Get the answers she couldn't find

Their footsteps already fading in the sand

She was trying to understand

More Than A Thousand Miles – Song number 6 Dekodierung

Her face was empty
Ihr Gesicht war leer

her mind and body weak
ihr Geist und Körper schwach

No words, no reason to speak
Keine Worte, kein Grund zu sprechen

She caught a plane
Sie fing ein Flugzeug

to leave her worries behind
zu lassen ihre Sorgen hinter

To call the tune and
Zu rufen das Lied und

Get the answers she couldn't find
Bekommen die Antworten sie konnte-nicht finden

Their footsteps already fading in the sand
Ihre Fussspuren bereits verblassend in dem Sand

She was trying to understand
Sie war versuchend zu verstehen

Why the road is so long and winding
Warum die Strasse ist so lang und schlängelnd

Why the lights have always been blinding
Warum die Lichter haben immer gewesen blendend

She's walked away from so many places
Sie-hat gelaufen weg von so vielen Plätzen

So many strangers and empty faces
So viele Fremde und leere Gesichter

She's never felt anything like this before
Sie-hat nie gefühlt irgendetwas wie dieses bevor
